### What does happens with the level change?

The Trust will continue to operate one level above the national alert level.

For staff, this means checking your emails and ensuring you are up to date with any changes to protocols.

For Life Stylers, any updates will come from Kate over the coming days.

We will include any changes for you in tomorrow's Snapshot.

We hope everyone is continuing to stay safe. Please reach out to your team leaders if you need to talk 😊

### BRAIN GYM: Spot the difference is back by popular demand!

How many differences can you spot??

We want you to spread some love and kindness around the Trust!! If you want to shout out your thanks to someone who has helped out, been kind or done something super.

**LET US KNOW and SEND IN A PICTURE**
